

## **You are invited to the “Friends of Umoja” Dinner!**

North is one of many local congregations partnering with congregations in Kenya to respond to the needs of vulnerable children in rural western Kenya through the Umoja Project. Umoja helps children who have been orphaned by AIDS and other diseases stay in school by providing school lunches, assisting with school tuitions and uniforms, and providing for other basic needs.

Umoja Project Director Joseph Okuya is visiting Indiana in September. Please join us for a complementary dinner (free will offering) and learn from Joseph more about this innovative, interfaith ministry for which North provides vital support and leadership.

**Tuesday, September 15, 6:30pm**  
**St. Monica Catholic Church Emmaus Center**  
**6141 N. Michigan Road**  
**Indianapolis, IN 46228**

**RSVP to Amy Lee at 317-253-6461 or [alee@secondchurch.org](mailto:alee@secondchurch.org) by Sunday, September 13.**
